Compact Connectivity

The all-in-one inkjet to suit
modern office needs

Compact size **huge** potential

Offering a wide variety of printing features including wireless connectivity and 2-sided printing – all packed into a compact size – this new Brother inkjet series is the ideal choice for all your office printing needs.

Introducing...
the **MFC-J480DW**

MFC-J480DW

The MFC-J480DW offers print, copy, scan and fax capabilities in a compact machine, as well as a wide variety of features to suit all of your office needs:

Automatic Document Feeder (ADF)

Scan and copy multi-paged documents with ease using the Automatic Document Feeder.

Mobile

Use the iPrint&Scan app, Apple AirPrint or Google Cloud Print to print and scan straight from your iPhone, iPad, Android device or Windows Phone.

LCD screen

Navigate the simple to use menu system via the 4.5cm LCD screen and panel buttons.

Cost effective printing

High yield ink cartridges capable of printing up to 550* black and 550* colour prints, combined with other cost-saving features like 2-sided printing and ink save mode help to lower your total cost of ownership.

Wireless

Easily connect and share across your existing wireless network.

Technical Specifications

The compact MFC-J480DW utilises wireless connectivity to make it easy to connect to for scanning or printing. With 2-sided printing and individual ink cartridges that deliver up to 550 pages* (black and colour) to help save on printing costs, the MFC-J480DW is an ideal device for any home or home office environment.
