Epson Stylus Office BX935FWD

Epson's Stylus Office BX935FWD is the perfect model for busy small-businesses needing an efficient 4-in-1 to help save time while keeping costs down, with the added benefit of Wi-Fi and Ethernet connectivity, and two paper trays.

Businesses can save valuable time thanks to fast print speeds, while double-sided printing can reduce paper usage and cost by up to 50 percent. The duplex automatic document feeder (ADF) allows users to copy, scan or fax double-sided documents for further savings on time and paper resources. With its large-capacity, twin front-loading trays that hold up to 500 sheets and give greater media flexibility, staff are able to spend less time loading paper and more time on their workload.

The economical BX935FWD can provide savings of up to 50 percent on cost per page compared to competitive lasers². DURABrite Ultra Ink is so versatile it is able to print business-quality documents and vibrant colour images that are highlighter, water, smudge and fade resistant as well as offering fast-drying results.

Businesses can choose to connect to the BX935FWD via Wi-Fi or Ethernet, offering more options to suit individual businesses. With its Wi-Fi connectivity, multiple users are able to print, scan and fax quickly and efficiently with just one compact machine. Businesses can also be sure of enhanced Wi-Fi security with WPA2 encryption.

The BX935FWD also comes with Epson Connect, offering more flexibility and freedom, allowing users to quickly and easily print images and documents wirelessly from smartphones and tablet PCs⁴. Additionally, users can print from anywhere in the world by emailing images and documents directly to the printer. Google Cloud Print service is also supported. The large 19.8cm smart-navigation touch panel with integrated touch screen and accompanying PictBridge, USB flash and memory card slots offer easy-to-use PC-free printing.

DATASHEET

KEY FEATURES

- Up to 50 percent lower cost per page than competitive lasers²
- Print up to 1,000 pages, the equivalent of two reams of paper, with Epson's XL Stag inks³
- Epson Connect⁴ to print from smart phones and tablet PCs.
- Business-quality printing at up to 15ppm/9.2ppm in mono/colour¹ or up to 38 pages per minute in draft mode⁵
- Fast double-sided print speeds of up to 7.9ppm/5.7ppm¹ in mono/colour
- 500 sheet capacity twin front-loading paper cassettes
- AirPrint direct wireless printing from iPad, iPhone and iPod touch⁵

FOR THE BEST RESULTS ALWAYS USE GENUINE EPSON INK AND PAPER

Epson DURABrite Ultra Ink is perfect for all your office printing because it gives you long-lasting Epson quality on a wide range of media.

- Business-quality text documents and vibrant colour
- Instant-drying prints are water, smudge, highlighter and fade resistant
- Resin-coated pigment technology works perfectly on a wide range of media
