

# EPSON®

EXCEED YOUR VISION

## Epson Stylus **SX200** Series

### Printer, scanner and copier: use with or without a PC

Discover high-performance, PC-free printing, scanning and copying. Print high-quality documents and photos and save money with individual inks by only replacing the colour you use.

This versatile all-in-one can be used without a PC for making quick copies and printing photos using the built-in memory card reader or via the PictBridge interface.

Whether you print documents or photos, Epson's DURABrite™ Ultra Ink provides high-quality text and lab-quality photos that are resistant to water, smudging and fading.

Whatever you print, you can save money with individual ink cartridges, because you only need to replace the colour you use.

**A single, compact device:** save space by printing, scanning and copying all from one machine

**Long-lasting Epson DURABrite Ultra Ink:** your prints are water, smudge and fade resistant

**Keep costs low:** only replace the colour you use with four individual ink cartridges

**Print photos without a PC:** use the built-in memory card reader or connect to a PictBridge compatible camera

**Epson PhotoEnhance:** automatically adjusts colour and contrast for great photos

**Epson Easy Photo Fix™:** restore colour and correct backlighting when scanning faded photos

**Epson Easy Photo Print:** remove red-eye from your photos

**ABBYY FineReader® OCR:** save retyping by scanning and editing text documents

#### Key benefits:

- High-quality all-in-one that can be used with or without a PC
- Save money with individual ink cartridges from €9.99\*1
- Print high-quality documents and lab-quality photos up to A4 with Epson DURABrite Ultra ink
- Print at up to 34 ppm and make quick copies without using a PC
