Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

OKI PRINTING SOLUTIONS

Delivering versatility and efficiency for the demanding workgroup

The MC560 is the ideal office support system for the small office or busy workgroup. At 32 pages per minute (ppm) in mono and 20ppm in colour this truly multifunctional product will print, scan, copy and fax, delivering exceptional quality with outstanding economies and efficiencies.

Super G3 faxing takes care of communications while PCL/PostScript and standard networking makes system integration quick and easy. Dual access allows documents to be faxed or scanned, even when the machine is busy, then emailed or digitally archived. Award winning PaperPort Software, supplied "free" in the box further enhances the functionality of the MC560 providing full editing and document management.

An extra paper tray increasing the printer's paper handling to 930 pages, a duplex unit for economic double-sided printing and additional memory, are optional accessories that can be added to the MC560 to suit your ever changing and growing business needs.

Fast, reliable and highly versatile the high performance MC560 keeps efficiency levels high and running costs low. For a complete list of functions and utilities refer to the product specification table overleaf.
